### SUPERHEROES

June 15/16/17/18

(closed on the 19th in recognition of Juneteenth)  
Calling all Superheroes to save the world! Stand for truth and justice. Fight crime. Create your own shield, cape, and mask, test your strength in a fitness challenge, make hulk slime, and much more!

### WATER WONDERS

July 6-10

Let's get wet! Try catching a water balloon, watch water change from a liquid to a solid, make bubbles in water, learn why water is necessary for life. Bring your swimsuit because we're going to get WET!

### DINOSAURS

July 27-31

Have you ever dreamed of being a paleontologist? Join us for a week of digging up bones, making dinosaur eggs, searching for fossils, and comparing and measuring dinosaurs. Bring your favorite dinosaur to share at camp!

### Bugs Everywhere!

August 17-21

Bugs all around, bug games, bug math, 3D bugs, bug snacks, bug parts and bugs that will bug you! Find and identify insects, what they have in common, and learn amazing facts about the largest animal group in the world. Let's go BUGGY!

### LEGO® World

June 22-26

LEGO® experts! Engineer a LEGO® city and design your own LEGO® person. Emmett is frozen and needs your help getting free! EVERYTHING IS COOL WHEN YOU WORK AS A TEAM!

### DISNEY WEEK

July 13-17

Experience the Magic of Disney with us! We'll use our imaginations and explore our creativity this week through drama, art, music, and dance.

### CAMPING OUT

August 3-7

Read stories in a tent, have a sing-a-long, and make s'mores around the "camp fire!" Go on a scavenger hunt, make animal shadows, catch a few fireflies, and even learn what scat is - not all animal's scat is the same!

### AMAZING ART

August 24-28

As Pablo Picasso said, "Every child is an artist." Explore different mediums to create 2D & 3D art. Sketch and doodle, try your hand at color mixing, painting, and sculpting, even create some food art!

### SPORTS

June 29/30 + July 1/2

(closed July 3rd in recognition of Independence Day)  
Baseball, bowling, soccer, volleyball, water sports... all the sports! Share your skills and learn some new ones. Explore the science and art of sports, learn about the equipment used in sports, and PLAY!

### Fairies, Gnomes, and Mythical Creatures

July 20-24

Did you know that gnomes are protectors of the forest and gardens. They like to hide behind trees keeping the forest safe.

Fairies are helpers to nature, they help wake plants and trees from slumber as well as animals and insects.

Join us for a magical week!

### BEACH CAMP

August 10-14

Have a beach vacation right at MIA! Build sandcastles, relax on a floaty, make and enjoy your own frosty drink, learn to hula, create unique bracelets, have a picnic on a beach towel, and cool off with a nice breeze from the ocean.

For more summer fun for kids up to age 10, check out our outdoor camps at TLC!
